

Θεάγης

Theages on Virtue and the Soul

eul_aid: crq

Period: Κλασική Classical
Dialect: Φιλοσοφική Ἀττική Attic Philosophical
Domain: Φιλοσοφία Philosophy
Format: Πραγματεία Treatise
Affiliation: Presocratic

Theages was a philosopher who lived in Greece during the 5th century BCE. He is identified as a follower of Pythagoreanism, a school of thought that combined mathematics, philosophy, and a distinctive way of life. Beyond this affiliation, no independent details about his life, origins, or education are known.

His entire historical presence comes from a single source: he appears as a named character in Plato's dialogue the Republic. In that work, he is listed among the group in the Piraeus who listen to Socrates' discussion about justice and the ideal state. Theages is not credited with any surviving writings of his own, and no treatises authored by him are attested.

His significance lies solely in this Platonic mention. His inclusion places him within the broader intellectual circle surrounding Socrates in classical Athens. As a named Pythagorean, his presence has led some scholars to suggest it may subtly indicate Pythagorean influences on certain ideas within the Republic, though this is an interpretive point. Primarily, Theages serves as a minor historical link between Socratic and Pythagorean thought in the late 5th century BCE.
